TO YOUR KIND ATTENTION

To bring peace, harmony and clarity to that which could be perceived as confusing and/or polemical, my claim here is made form man to man.

We are THE ONE WHO IS, eternal essence, incarnated in this present moment, manifesting as spiritual natural man in the living body of flesh, bones and blood under the only Natural, Universal, Eternal, Divine and of Free Will.

The developments made by action OPPT1776, of which You should be aware, are changing the World in a total way. The debit no longer exists, we are free! It is up to us to practice the Right taken away from us by the fraud of our Birth Certificate.

A mass awakening is in action on a large scale to which all are participating, denying the consent to any form of slavery.

Many are now already aware that the high sphere of power have allowed private corporations, many of which are masked as governments, as Italy end Montenegro, to enslave humanity by effective monitoring of financial resources, governing boards, military, judicial, religious and via different and various laws//rules/regulations/programmes regarding taxation, distribution of energy, food production, the security of water and practically every aspect of our lives.

You are surely able to reflect, by means of professional experience, that unfortunately this is still the cruel reality, also and above all thanks to our tacit consent.

We are at peace with all those who have collaborated unconsciously or consciously with the ex -system of slavery

Regards the courtesy notice, I call your attention to the following:

"States and governments annulled" … which means that the previous authorities and/or employers are no longer in force, therefore, the actions that you will take as ex-official, for the benefits of OPPT 1776 and the UCC deposits, the Natural and Universal Right to which we refer, will make you individually responsible for each of your actions and completely free of any immunity.

I invite you, for your individual growth, to study the OPPT 1776 document, references are included in the courtesy notice.

Should you choose to reply to the courtesy notice, after serious assessment of the deposited documents, read the page "Terms and Conditions" for guidelines on how to reply. Should you choose to continue your actions as ex-official, for the explained reasons, it will mean that you have voluntarily chosen to accept my conditions of contract available in sheet A.

I consider it essential to inform you that the documents OPPT1776 registered and presented to the best experts of UCC in the World have never been disproved, becoming the only Law valid to this day.

Dear Olga Bulatović, the laws have changed thanks to the effect of UCC of OPPT1776. The old system in which you are working is acting in fraud. A new legal framework and a real own system of equity, on the basis of the Universal and Natural Law , is active on all of us thanks to the documents of the New Governance of WE IS (www.noièiosono.com & https://i-uv.com/oppt-absolute/)

I invite you to look inside yourself and confirm that, that which I am saying is the ultimate truth.
